

Your Industry Associate benefits

- Listing in our online searchable database, including a description of up to 50 words of your industry role.
- Receive STI/SPFA's electronic newsletters.
- Special 15% discount on publications.
- Special discount on STI training and certification classes.

Note: The Industry Associate status does not permit attendance at STI/SPFA Meetings.

STI/SPFA is a trade association for fabricators of steel petrochemical and field erected water storage tanks, steel water pipe, pressure vessels and specialty fabricated items, as well as suppliers to the steel fabrication industry.

What if you're not a fabricator or supplier, but need to stay on top of the latest industry news? What if you have a special relationship to the steel fabrication business and want to be found easily by companies and individuals who have a need for your expertise?

Become an STI/SPFA Industry Associate and get these benefits and more! If you're a regulator, third-party agency representative, engineer, architect, consultant, inspector...Virtually any individual role you play relevant to the steel fabrication industry is eligible for our Industry Associate benefits.

STEP 1: JOIN TODAY! Complete this application and submit with payment.
